MEMORANDUM FOR: Mr. Gordon M. Stewart

SUBJECT : Insurance Coverage for Agency Employees Who May
be Engaged in Extrahazardous Duties.

Gordon :

With regard to the recent insurance arrangement made with GEHA concerning coverage of personnel engaged in extrahazardous duties, I met with the GEHA Board in December to discuss generally how these things would be handled in the future. I thought that we had a meeting of the minds, and pursuant to our discussion drafted a brief memorandum to the Chairman of the Board. However, the Board suggested some changes in my memorandum which I have not yet accepted since I am not sure of the ultimate objective which it seeks to accomplish by these changes. In any case, whatever I sign must be satisfactory to you since you are the DD/S component head which should normally represent me in dealing with the Board.

I am attaching the file which [REDACTED] and I have batted back and forth. Please look it over, conduct whatever discussions you feel appropriate with John or the Board, and return a clean draft to me at your earliest convenience.
